

## **EPEVER WiFi / Bluetooth Quick Setup**

Download App from AA Solar Downloads page...

<http://www.aasolar.co.nz/AndriodAPPfortheWIFI%2526BLEeBoxmodules..apk>

Find EPEVER app in recent downloads using “My Files”

When message “Install Blocked” appears tap on “Settings”. Under Security switch on “Unknown Sources”, keep ticked the box “Allow this Installation Only” – tap “OK”, then “Install, then “Open”.

Bluetooth adapter:- Select “BLE Device”, “eBox-BLE-....”

WiFi Adapter:- In phone WiFi settings connect to the WiFi access point of the adapter then run the app.

Find your Controller or Inverter device.
